

Quincy Medical Group and DuPage Medical Group Frequently Asked Questions (FAQs)

1. What was announced today?

Quincy Medical Group and DuPage Medical Group signed a letter of intent to join together, becoming one organization. Upon closing later this fall, this agreement supports our united goal to go beyond the expected, to deliver exceptional, patient-centered, physician-directed care and passion for transforming healthcare. Together, DuPage Medical Group and Quincy Medical Group will work to increase access to affordable, patient-centric, physician-directed and coordinated care, while deepening investment in local services and programs that help patients from the tri-states and beyond in every step of their health journey.

2. Why is this partnership being formed?

- Once closed, this partnership advances the shared vision of DuPage Medical Group and Quincy Medical Group to develop a best-in-class, multi-specialty clinical care delivery organization that raises the standard for quality and excellence, through intentional focus on an unrivaled patient experience.
- Together DuPage Medical Group and Quincy Medical Group will strategically invest in world-class infrastructure and technology, expand in-network capabilities, advance progression to value-based care, and deliver on shared missions to increase care access, education, service, and charitable giving in our local communities.
- Quincy Medical Group strives to be a leader of guiding improvements that drive down the cost of care and increase quality. This agreement further advances a delivery model where physicians have distinctive influence and opportunity to deliver coordinated care for meaningful change.
- Through the partnership with DuPage Medical Group, Quincy Medical Group will gain access to deep investments in technology that enables a highly personalized patient experience aimed at more successful outcomes. We are united in a goal to go beyond the expected, to deliver exceptional, patient-centered, physician-directed care with a passion for transforming healthcare.
- With the Quincy Medical Group partnership, DuPage Medical Group is strategically growing and evolving in ways that build a community of the nation's most dedicated, creative and talented primary care and specialty physicians. Furthermore, the agreement supports continued investment to expand our altruistic, purpose-driven combined mission, by increasing care access, education, service, and charitable giving in the local communities we serve.

3. What is DuPage Medical Group?

Formed in 1999, DuPage Medical Group is the largest independent multi-specialty physician group in Illinois. It is an organization wholly devoted to helping humans flourish through a physician-directed model where doctors have distinctive influence and opportunity to deliver coordinated care for meaningful change. DuPage Medical Group is strategically growing and evolving in ways that build a community of the nation's most dedicated, creative and talented primary care and specialty physicians. This proactive model allows DuPage Medical Group to deliver quality care, construct the most advanced facilities and implement technological breakthroughs. DuPage Medical Group promotes collaboration among its more than 700 medical staff members and 5,000+ associates.

4. Is this partnership one of financial necessity – is Quincy Medical Group in financial trouble?

Definitely not. This agreement builds on Quincy Medical Group's nearly 85 years of proven success in delivering exceptional care for generations of families in West-Central Illinois and beyond.

Since Quincy Medical Group entered in to partnership with UnityPoint Health in 2012 a lot has changed for independent physician groups and healthcare. Since Quincy Medical Group and DuPage Medical Group found each other it has been clear that this partnership will create meaningful transformation to healthcare. Pursuing this agreement today, when Quincy Medical Group remains in a position of strength, only optimizes our ability to excel under the synergies it will gain by the considerable experience and performance of DuPage Medical Group.

5. What changes today?

Nothing changes today, we decided to announce our letter of intent, a milestone during the due diligence process, to be fully transparent about our plans for the future. The due diligence process will continue and the goal is to close in the late fall.
